Dear Dr. Woody,

Please accept this supplemental documentation concerning the request to offer programming in Cape Girardeau.

Currently, Mineral Area College is approved to offer the Associate of Science in Respiratory Therapy and Associate of Applied Science in Physical Therapy and Career and Tech Education programs at the Cape Girardeau Career and Technical Center located at 1080 S. Silver Springs Rd.

Our new request is to offer these and additional programs at the Cape College Center, located at 1050 S. Silver Springs Rd. As you can see from the attached map, the Cape College Center has a different street number, but it is actually located on the same campus as the Career and Technical Center.

Sincerely,

Joe Gilgour, Ed. D.
President, Mineral Area College
