

# CAPE GIRARDEAU

## PUBLIC SCHOOLS

**Motion to be considered:**

To approve a statement of support to request a reassignment of community college service area from Three Rivers College service area to Mineral Area College service area.

**Rationale:**

Cape Girardeau School District 63 supports and requests a reassignment of community college service regions. Currently, the District's region is serviced by Three Rivers College. The proposed change would allow Cape Girardeau School District 63 to be reassigned to Mineral Area College's service region.
