Dear Dr. Woody,

On behalf of the Missouri Community College Association's Presidents and Chancellors Council, I am writing to alert you of a change within our voluntary service areas. Per the agreement dated February 14, 2022, Mineral Area College will now serve all school districts in Cape County. Three Rivers College will no longer be the main provider for Cape Girardeau, Jackson R-II, Oak Ridge R-VI, New Holcomb R-IV, or Delta R-V.

MCCA does not always alert Missouri's Department of Higher Education and Workforce Development of every adjustment in the service area boundaries. However, given the involvement of MDHEWD staff, and per your email of February 18, 2022, requesting such letter, we wish to formalize this specific change.

Please let me know if you have any questions regarding this matter. Thank you.

Sincerely,

A handwritten signature in black ink that reads "Brian Millner". The signature is written in a cursive, flowing style.
