STUDENT ENROLLMENT PROJECTIONS

Musical Theatre

Year	1	2	3	4	5
Full Time	15	25	35	45	45
Part Time					
Total	15	25	35	45	45

Please provide a rationale regarding how student enrollment projections were calculated:

The year 1 number represents the number of students coming in or changing to Musical theatre. It is generally felt that the numbers will grow from outside the college but that current students will switch their majors into one of these new tracks.

Provide a **rationale** for proposing this program, including **evidence of market demand and societal need supported by research**:

See above.
