Comprehensive Review

- **STLCC's Phase II proposal was submitted November 24, 2020, and posted for public comments the same day.**
- **OTC's Phase II proposal was submitted December 4, 2020, and posted for public comments the same day.**

Comprehensive Review

- **STLCC is proposing to offer a Bachelor of Science in Respiratory Care.**
- **OTC is proposing to offer a Bachelor of Science in Respiratory Therapy.**
- **Bachelor level proposals from community college require comprehensive review.**

Public Comments Received

UM System:

- Supports both proposals since the data shows an unmet workforce need for RT.
- Recommends OTC and STLCC consider alternative pricing models since health care programs are so costly.
- OTC's proposal may consider updating its budget to a five-year projection.

Public Comments Received

MU School of Health Professions:

- **Need to highlight how Florissant Valley and Forest Park campus facilities will be equivalent (CoARC accreditation standard).**
- **Research further clinical site availability.**
- **Consider rebalancing a semester with heavy core science courses.**

Public Comments Received

Coalition for Baccalaureate and Graduate Respiratory Therapy Education – OTC:

- Supports OTC's proposal.
- Gives sources and information regarding why change to bachelor level is so important in the RT field.

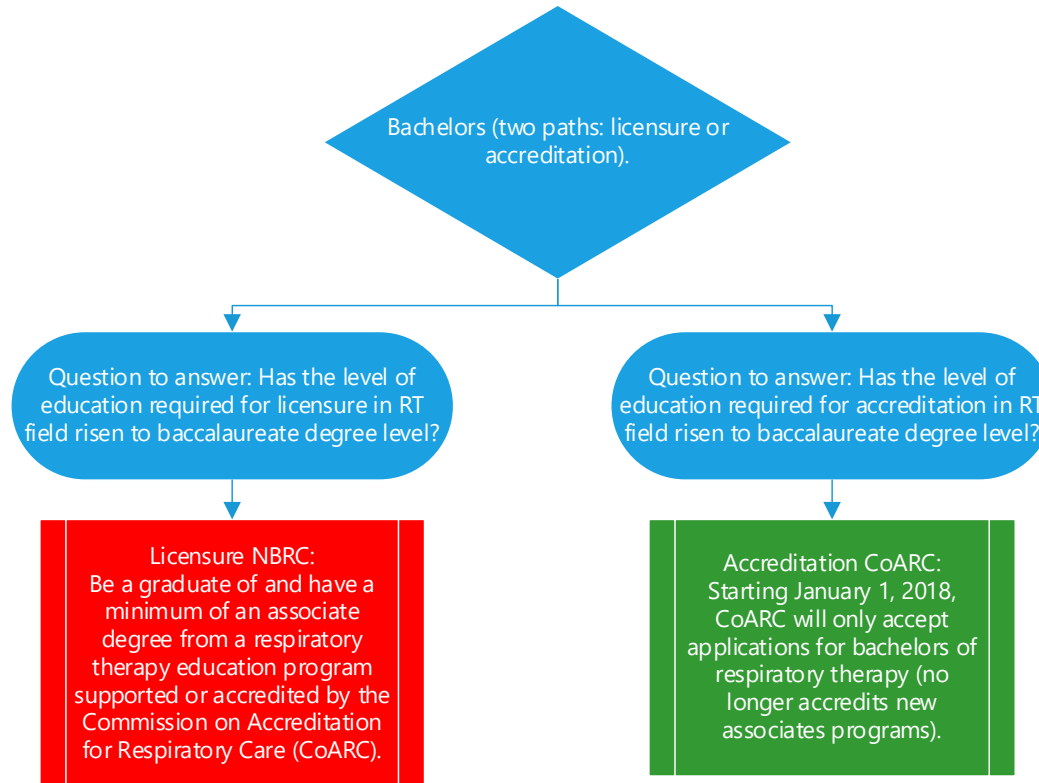

Public Comments Received

Missouri Society for Respiratory Care (MSRC):

- Supports the need for more respiratory care programs throughout the state.
- Provides data to highlight unmet workforce need.
