## State Student Aid Status Report

Coordinating Board for Higher Education  
June 17, 2020

### BACKGROUND

Student financial aid is a substantive policy tool for the Coordinating Board and the state of Missouri in the promotion of student access and success in postsecondary education. As such, greater awareness of and appreciation for the range and scope of the programs administered by the Missouri Department of Higher Education and Workforce Development is crucial. The purpose of this agenda item is to provide the Coordinating Board with background and baseline information about the student financial assistance programs administered by DHEWD.

Dating back to the 1970s, Missouri has a long tradition of providing financial assistance to encourage its citizens to seek postsecondary education. While other agencies are responsible for the administration of special purpose programs, DHEWD is the focal point for most student financial aid issues.

### CURRENT STATUS

By the conclusion of the current academic year, DHEWD will have distributed approximately \$133 million in student financial aid to more than 63,700 students. The attachments to this item provide detailed information for each of the programs administered by the department, including the number of students served and dollars awarded, by educational institution and sector. Amounts reported in the attachments are incomplete because the fiscal year has not ended and institutions have not completed the process of requesting payments for all students, particularly for the A+ Scholarship. A brief description of the programs is provided below:

#### Scholarships and Grants

**A+ Scholarship** provides tuition reimbursement for eligible graduates of designated high schools to attend public community colleges, area career colleges, or private career technical schools that meet the criteria outlined in statute. Eligible graduates must meet high school criteria relating to grade point average, attendance, mentoring/tutoring, and citizenship.

**Access Missouri Financial Assistance Program** is a need-based program designed to be simple to understand, provide predictable, portable awards, and increase access to the student's school of choice. Financial eligibility is determined using the Expected Family Contribution as calculated through the Free Application for Federal Student Aid.

**Advanced Placement Incentive Grant** is a nonrenewable grant designed to encourage high school students to take and score well on Advanced Placement tests in mathematics and science. Students must receive an Access Missouri or A+ award to be eligible for this grant. Students who are eligible for either the Access Missouri or A+ program but have a calculated award amount of zero as a result of other financial aid are also eligible for this grant.

**Bright Flight**, the statutory title of which is the Missouri Higher Education Academic Scholarship Program, is a merit-based program that encourages top-ranked high school seniors to attend approved Missouri postsecondary schools.

**Fast Track Workforce Incentive Grant** is a new financial aid program for adults beginning with the 2019-20 academic year. The grant addresses workforce needs by helping adults pursue a certificate, degree, or industry-recognized credential in an area designated as high need. Grant recipients must maintain Missouri residency

and work in Missouri for three years after graduation to prevent the grant from becoming a loan that must be repaid with interest.

***Kids' Chance Scholarship*** is available to children of workers who were seriously injured or died in a work-related accident covered and compensated by workers' compensation. MDHEWD partners with Kids' Chance, Inc. of Missouri, an organization that offers a similar, private scholarship, to identify eligible students.

***Marguerite Ross-Barnett Memorial Scholarship***, also known as the Competitiveness Scholarship, is a need-based scholarship established for students who are employed while attending school part-time. This program is being phased out beginning in FY 2020.

***Minority and Underrepresented Environmental Literacy Scholarship*** is designed to assist academically talented minority and underrepresented individuals pursuing a bachelor or master degree in an environmental course of study.

***Public Service Officer or Employee's Child Survivor Grant*** provides tuition assistance to certain public employees and their families if the employee is killed or permanently and totally disabled in the line of duty.

***Wartime Veteran's Survivors Grant*** provides up to 25 grants annually to children and spouses of Veterans whose deaths or injuries were a result of combat action or were attributed to an illness that was contracted while serving in combat action, or who became 80 percent disabled as a result of injuries or accidents sustained in combat action since September 11, 2001.

## CONCLUSION

Through DHEWD, the Coordinating Board for Higher Education was responsible for the administration of 10 state-funded student financial aid programs in FY 2020. These programs provide a valuable and substantial resource for Missouri citizens as they further their education beyond high school. It is clear these programs, as well as others that may follow, will continue to be important to the fulfillment of the Coordinating Board's strategic goals.
