Coordinating Board for Higher Education  
December 8, 2021

**BACKGROUND**

Section 173.005.3, RSMo, requires the Coordinating Board for Higher Education to meet at least four times annually. Historically, meetings occur in March, June, September, and December. The March, September, and December meetings are typically held in Jefferson City and the June meeting is on a college campus.

Board meetings include two sessions: A work session and a public meeting. Board members and department staff use the work session to prepare for the following day's public meeting and discuss internal matters of limited interest to Presidential Advisory Committee members. The work session is a public meeting and all are welcome to attend, but generally institution representatives only attend if they have a matter before the board or have been invited to make a presentation. The board discusses and votes on agenda items at its public meeting. Presidential Advisory Committee members are invited to discuss agenda items and other topics at the public meeting.

The board previously announced 2022 meeting dates.
