## **2020 Commissioner's Advisory Group Members & Meeting Dates**

Coordinating Board for Higher Education  
December 11, 2019

### **BACKGROUND**

In January 2018, Commissioner Mulligan established a Commissioner's Advisory Group to provide advice from and develop relationships among public college and university CEOs. The group meets on a quarterly basis at "off" intervals from Coordinating Board meetings and includes an equal number of representatives from community colleges and public universities, as well as the president of the state technical college.

### **CURRENT STATUS**

At the group's September 2018 meeting, members finalized a plan for rotating members on and off the group and established the following principles:

- Each sector will have a total of six representatives.
- Terms are two years.
- Each sector group will recommend three new members by December 1 each year.
- New members' terms will begin at the group's January meeting.
- There will be no standing members.
- The group will include CEOs only, including each sector group's CEO.
- No substitutes are permitted at meetings.

### **NEXT STEPS**

The 2020 Commissioner's Advisory Group will be announced after the December 10, 2019 CBHE work session. The group's meeting dates and potential agenda items are attached.
