

U SHOW-ME **CARE**

*Building Joplin's future...
campus by campus*

*Homes destroyed ... lives lost ... schools in shambles ... the landscape scarred.
That was Joplin after a massive tornado tore through the town on May 22, 2011.
Most relief agencies are gone now, but the need continues.
Be part of the effort to rebuild Joplin.*

Volunteers are needed to plant trees, make minor repairs, help families move, clean up small debris, and sort and distribute donated items.

Join the Show-Me U Care campaign to send Missouri college students, faculty and staff to Joplin throughout the fall to build Joplin's future ... campus by campus.
