

Dear

On behalf of \_\_\_\_\_ I would like to personally thank you for volunteering your time at our Apply Missouri event. This event could not have been a success without your help and the help of many others who volunteered their time.

During Apply Missouri, \_\_\_\_\_ of our seniors completed their admissions applications to attend college. Our seniors are one step closer to reaching their dreams of attending college.

Once again \_\_\_\_\_ thanks you for your efforts and contribution of time at Apply Missouri!  
We hope to see you at more college access programs in the future.

Sincerely,
