

Returning to a partially completed registration for Journey to College programs

Have you ever wondered how you can save and return to your Journey to College registration? If you are in the middle of completing the registration form and realize you will not be able to complete it in the time you have available, follow these simple instructions.

1. First, attempt to complete the page you are on currently.
2. Then, click on the “Resume later” button on the bottom left of your screen.

The screenshot shows a registration form with a light blue header and a white content area. The header contains the text: "Save in order sign in order no later than 5 business days after activities conclude" and "Make every effort to help students access postsecondary education". Below the header is a checkbox with a checkmark and the text "I agree to the site coordinator obligations listed above". At the bottom of the form, there are four buttons: "Resume later", "Previous", "Submit", and "Exit and clear survey". A red arrow points to the "Resume later" button.

- You will enter your name, a password, your email address, and answer a security question before ending your registration session in order to retrieve it at a later time. Once entered, click "Save now."

Save your unfinished survey

Enter a name and password for this survey and click save below.
Your survey will be saved using that name and password, and can be completed later by logging in with the same name and password.

If you give an email address, an email containing the details will be sent to you.

After having clicked the save button you can either close this browser window or continue filling out the survey.
