We'll be celebrating Decision Day on May 1. This is the day most colleges ask incoming students to let them know they're planning to enroll for fall.

# New website – [journeytocollege.mo.gov](https://journeytocollege.mo.gov)

The screenshot shows the homepage of the Journey to College website. At the top, the logo "Journey to College" is displayed with the tagline "Realize your potential." Below the logo is a navigation bar with links for "About", "Plan", "Pay", "Finish", and "Connect", each followed by a dropdown arrow, and a search icon. The main content area features a large photograph of a diverse group of students in a classroom. In the foreground, a young Black male is smiling at the camera while sitting at a desk and writing in a notebook. Other students are visible in the background, some looking down at their work. A white callout box is overlaid on the left side of the image, containing the text "Plan for college" and a paragraph about the importance of planning ahead. Below the image, there are four circular indicators, with the first one filled in blue. At the bottom, the text "Your journey to college begins here." is displayed in a bold, black font.
