

LEGISLATIVE UPDATE

January 22, 2016

Summary of Legislation Impacting Higher Education

HB1383 English A+ Schools Program requirements: Expands the A+ Schools Program to graduates of any Missouri high school who meet the program requirements.

Bill History Committee:

HB1401 Conway Control of traffic on college campuses: Allows community college police officers to establish regulations to control vehicular traffic on any thoroughfare owned or maintained by the college.

Bill History Committee: [House Public Safety and Emergency Preparedness \(Standing\)](#)

HB1438 Mims Favoritism in higher education: Requires public institutions of higher education to adopt policies on student favoritism by September of 2017. The policy must establish a procedure for addressing allegations of favoritism toward any student and an institution must uniformly and consistently apply the policy, make it easily accessible, and train campus leaders about its contents.

Bill History Committee:

HB1543 Brown A+ tuition reimbursement: Specifies that students shall not receive A+ tuition reimbursement for remedial college courses.

Bill History Committee:

HB1571 Lynch MO National Guard Educational Assistance Grant: Allows members of the reserves of any branch of the United States armed forces to be eligible for a Missouri National Guard educational assistance grant

Bill History Committee:

HB1610 Swan Postsecondary course options: Changes the laws regarding postsecondary course options (dual enrollment) by broadening the definition of schools allowed to cooperate with public high schools to offer those options to include the State Technical College of Missouri.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB1613 Swan Identifying students at risk: Requires school districts to develop a system for identifying students who are at risk of not being ready for college-level work or entry-level career positions.

Bill History Committee: [House Elementary and Secondary Education \(Standing\)](#)

HB1621 Haahr MO Civics Education Initiative: Creates the "Missouri Civics Education Initiative" which requires every high school student attending any public, charter or private school to complete and pass a basic civics test similar to the civics portion of the United States Naturalization test in order to receive a high school diploma, certificate of high school graduation or a high school equivalency certificate. In addition, students who earn a passing grade in a course of instruction on the Constitution of the United States and of the State of Missouri and who transfer to another college or university are not required to earn a passing grade in another such course as a condition of graduation.

Bill History Committee: [House Elementary and Secondary Education \(Standing\)](#)

HB1637 Dohrman Course in freedom of speech: Requires graduates of two-year and four-year institutions of higher education located in Missouri to have successfully completed a three credit hour course in the freedom of speech.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB1640 Hicks

Modifies the Science, Technology, Engineering and Mathematics Fund: Authorizes a tax liability transfer for an employer that hires a student majoring in the field of science, technology, engineering, or mathematics for an internship. Up to \$5,000 of the employer's state tax liability may be annually removed from the general fund and placed in the Science, Technology, Engineering and Mathematics Fund. The bill also allows an employer with facilities in Missouri that provides educational benefits to a qualified individual or trains a qualified individual for an employment position in the health care, engineering, or information technology field to apply to have up to \$5,000 of the employer's state tax liability removed from the general fund and placed in the Science, Technology, Engineering and Mathematics Fund for up to one year. The Department of Higher Education must establish a procedure for approving applications.

Bill History Committee:

HB1646 Swan

MO Civics Education Initiative: Creates the "Missouri Civics Education Initiative" which requires every high school student attending any public, charter or private school to complete and pass a basic civics test similar to the civics portion of the United States Naturalization test in order to receive a high school diploma, certificate of high school graduation or a high school equivalency certificate. In addition, students who earn a passing grade in a course of instruction on the Constitution of the United States and of the State of Missouri and who transfer to another college or university are not required to earn a passing grade in another such course as a condition of graduation.

Bill History Committee: [House Elementary and Secondary Education \(Standing\)](#)

HB1658 Frederick

Establishes the Show-Me Compassionate Medical Education Act: Designates August 28, 2016, and thereafter the date designated by the show-me compassionate medical research project committee, as "Show-Me Compassionate Medical Education Day" in Missouri. In addition, no medical school in the state shall prohibit, discourage, or otherwise restrict a medical student organization or medical organization from conducting a study on the prevalence of depression, suicide, or other mental health issues among medical students. Medical schools may also collaborate with the show-me compassionate medical education research project committee to conduct a single center or multicenter study or studies in order to facilitate the collection of data and implement practices and protocols to minimize stress and reduce the risk of depression and suicide for medical students.

Bill History Committee: [House Social Services \(Select\)](#)

HB1678 Solon

Student safety at higher ed institutions: Requires public institutions of higher education to implement memorandums of understanding with law enforcement with respect to sexual assaults on campus.

Bill History Committee:

HB1681	Haahr	<u>Regulation of proprietary schools</u> : Exempts yoga teacher training courses, programs, or schools from provisions of law regulating proprietary schools. Bill History Committee: House Emerging Issues (Standing)

HB1899 Taylor Removes concealed carry ban on DHE institutions: Removes the current ban on carrying concealed firearms in higher education institutions.

Bill History Committee: [House Emerging Issues \(Standing\)](#)

HB1910 Kelley Concealed carry in DHE institutions: Removes the current ban on carrying concealed firearms in higher education institutions, but allows institutions to ban concealed firearms under certain conditions.

Bill History Committee: [House Emerging Issues \(Standing\)](#)

HB1964 Walker Survivor benefits: Adds emergency medical technicians, certain staff of the state fire marshal's office, and certain air ambulance personnel to the list of individuals eligible for the Public Service Officer or Employee's Child Survivor Grant program and changes the disbursement of any unpaid workers compensation into his or her estate.

Bill History Committee: [House Public Safety and Emergency Preparedness \(Standing\)](#)

HB1984 McDaniel Concurrent enrollment: Directs the coordinating board for higher education to develop policies for concurrent enrollment in public two-year and four-year institutions of higher education.

Bill History Committee:

HB1985 McDaniel Transferability of postsecondary academic credit: Requires the department of higher education to establish a website with information about transferability of postsecondary academic credit.

Bill History Committee:

HB2058 Haahr Cronkite New Voices Act: Establishes that a student journalist has the right to exercise freedom of speech and of the press in school-sponsored media.

Bill History Committee: [House Emerging Issues \(Standing\)](#)

HB2095 Chipman Financial information provided by colleges/universities: Requires that public colleges and universities provide on their websites and to students upon acceptance or before enrollment the estimated cost for each degree program offered.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB2096 Chipman Health care fees: Specifies that public colleges and universities shall not require their students to pay fees related to health care if they show proof of health insurance coverage.

Bill History Committee: [House Consumer Affairs \(Standing\)](#)

HB2097 Chipman Athletic scholarships: Specifies circumstances in which athletic programs at public colleges and universities shall maintain athletic scholarships for student-athletes who are injured.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB2098 Chipman On campus housing: Prohibits public institutions of higher education from requiring students to live on campus.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB2099 Chipman Student meal plans: Prohibits public institutions of higher education from requiring students to purchase a meal plan.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB2100 Chipman Student reimbursement for lack of teaching: Specifies that if a faculty member listed as the instructor for a course at a public college or university does not teach at least 75 percent of his or her classes for that course, then students in that course shall receive reimbursement of 25 percent of tuition and fees for that course. It also specifies that if a graduate or undergraduate student teaching assistant at a public college or university teaches, as the sole instructor present, at least 75 percent of classes for a course, then students in that course shall receive a reimbursement of 25 percent of tuition and fees for that course.

Bill History Committee: [House Higher Education \(Standing\)](#)

HB2124 Butler

Modifies the Science, Technology, Engineering and Mathematics Fund: Authorizes a tax liability transfer for an employer that hires a student majoring in the field of science, technology, engineering, or mathematics for an internship. Up to \$5,000 of the employer's state tax liability may be annually removed from the general fund and placed in the Science, Technology, Engineering and Mathematics Fund. The bill also allows an employer with facilities in Missouri that provides educational benefits to a qualified individual or trains a qualified individual for an employment position in the health care, engineering, or information technology field to apply to have up to \$5,000 of the employer's state tax liability removed from the general fund and placed in the Science, Technology, Engineering and Mathematics Fund for up to one year. The Department of Higher Education must establish a procedure for approving applications.

Bill History Committee:

HB2132 LaFaver

MO Civics Education Initiative: Creates the "Missouri Civics Education Initiative" which requires every high school student attending any public, charter or private school to complete and pass a basic civics test similar to the civics portion of the United States Naturalization test in order to receive a high school diploma, certificate of high school graduation or a high school equivalency certificate. In addition, students who earn a passing grade in a course of instruction on the Constitution of the United States and of the State of Missouri and who transfer to another college or university are not required to earn a passing grade in another such course as a condition of graduation.

Bill History Committee: [House Elementary and Secondary Education \(Standing\)](#)

HB2143 Smith

College Credit Disclosure Act: Establishes the College Credit Disclosure Act that requires a higher education institution unaccredited by a regional accrediting agency to disclose that status to students before enrollment.

Bill History Committee:

HB2155 Davis

Resident student status: Allows individuals currently serving in the Missouri National Guard to have resident student status for admission and tuition purposes at public institutions of higher education.

Bill History Committee:

HB2156 Davis

Missouri Returning Heroes' Education Act: Changes the laws regarding the Missouri Returning Heroes' Education Act to require the application of state and federal student aid before the tuition discount and allow the resulting reduction to result in aid that exceeds the cost of attendance.

Bill History Committee:

HB2176 Curtis

Tax credits and tuition rates for postsecondary students: Allows students who cease attendance to claim a tax deduction for completing their remaining credit hours when they resume postsecondary attendance. Allows students who are enrolled in remedial education courses to receive a reimbursement from their high school's withholdings from the classroom trust fund payment. This bill would change the definition of a Missouri resident for purposes of tuition, fees, and admission. It also requires that 33 percent of student tuition increase be designated for faculty improvement and requires a tuition rate lock beginning in the 2016-2017 school year.

Bill History Committee:

HB2179 Rone

Governing boards of public institutions of higher education: Modifies provisions relating to membership qualifications for governing boards of public institutions of higher education by limiting the number of members who are employed in the same profession.

Bill History Committee:

HB2186 Ross

Constitution Project recognition: Allows school districts to develop policies on student recognition for participation in the Constitution Project of the Missouri Supreme Court, including the "community service or citizenship requirements" of the A+ tuition reimbursement program.

Bill History Committee: [House Emerging Issues in Education \(Standing\)](#)

HB2204 Newman

Enough is Enough Act: Requires higher education institutions to inform students and employees about sexual assault and amend sexual assault policies to include an affirmative consent standard.

Bill History Committee:

HB2234 Dohrman

Student web portal: Requires the department of higher education to develop, maintain, and operate a website containing information for students about resources at public and private institutions of higher education.

Bill History Committee:

HB2237 Rowden University of Missouri extension councils: Allows county commissioners who serve on boards and commissions to vote as a member of the county commission on any funding request submitted to the county commission without that vote being seen as a conflict of interest. Allows the University of Missouri extension councils in counties to obtain financing in their own name so long as it does not constitute a debt to the university and the university is not obligated to repay the financed amount.

Bill History Committee:

HB2241 Dohrman Bill of Rights coursework: Requires coursework addressing the Bill of Rights in secondary schools and coursework in the Constitutions of the United States and Missouri in introductory courses in American government and American history at colleges and universities.

Bill History Committee:

HB2327 Curtis Urban Education Institute: Establishes the Urban Education Institute, a joint program between Lincoln University and Harris-Stowe State University to address the urban education crisis.

Bill History Committee:

HB2337 Parkinson Student health insurance: Specifies that public universities must not bind students to third-party contracts for health insurance without written approval.

Bill History Committee:

HB2353 Morgan Missouri Tuition Equity Act: Changes the definition of a Missouri resident for purposes of tuition, fees, and admission at any higher education institution that receives state funds.

Bill History Committee:

SB583 Munzlinger Instructional waiver review board for UM System: Creates an instructional waiver review board for the University of Missouri System to evaluate all instructional waivers requested by faculty members. The number of instructional waivers granted for each campus cannot exceed thirty percent of the regular faculty employed, and waiver preference is given to faculty whose research is not funded through state appropriations.

Bill History Committee: [Senate Education](#)

SB589	Dixon	<u>Removes ban on concealed carry in DHE facilities</u> : Removes the current ban on carrying concealed firearms in higher education institutions. Bill History Committee: Senate Transportation, Infrastructure and Public Safety
