Student Preparation

Special Admissions Procedure or Student Qualifications required:

Admission procedures and student qualifications do not exceed regular College standards.

Specific Population Characteristics to be served:

Columbia College serves traditional students at the Residential Campus and specializes in adult and military education nationwide. Columbia College serves nearly 18,000 students each year at 40 locations.

Faculty Characteristics

Special Requirements for Assignment of Teaching for this Degree/Certificate:

Columbia College adheres to the credential requirements set forth by HLC for all faculty members. Columbia College requires instructors to have at least a Master's degree from a regionally accredited institution in the subject to be taught, with relevant coursework and/ or professional experience directly related to the course. In exceptional circumstances, special certification, extraordinary work experience, or tested experience, may compensate the absence of certain academic credentials.

Estimate Percentage of Credit Hours that will be assigned to full time faculty:

Full-time faculty teach 12 credit hours or less in a given session. Adjunct faculty can teach no more than 9 credit hours in a given session, and no more than 6 in-seat credit hours a session.

Expectations for professional activities, special student contact, teaching/learning innovation:

Full-time faculty members are required to participate in professional development, for promotion, tenure, and annual evaluation, and have department, school and college budgetary support available. Adjunct faculty members are required to provide contact information to students. Full-time faculty members are required to have 3 hours a week of office hours designated for their students.
