PROGRAM CHARACTERISTICS AND PERFORMANCE GOALS

Institution Name Southwest Baptist University-Salem Campus
Program Name Associate of Science - Teaching
Date 11/7/2016

(Although all of the following guidelines may not be applicable to the proposed program, please carefully consider the elements in each area and respond as completely as possible in the format below. Quantification of performance goals should be included wherever possible.)

1. Student Preparation

- Any special admissions procedures or student qualifications required for this program which exceed regular university admissions, standards, e.g., ACT score, completion of core curriculum, portfolio, personal interview, etc. Please note if no special preparation will be required.
The program will accept students who are admitted to Southwest Baptist University-Salem Campus.
- Characteristics of a specific population to be served, if applicable.
Not applicable

2. Faculty Characteristics

- Any special requirements (degree status, training, etc.) for assignment of teaching for this degree/certificate.
All faculty for this program will possess a master's degree or higher with 18 hours of related coursework from a regionally accredited institution of higher education.
- Estimated percentage of credit hours that will be assigned to full time faculty. Please use the term "full time faculty" (and not FTE) in your descriptions here.
- Expectations for professional activities, special student contact, teaching/learning innovation.
Faculty teaching in the program will also be available for advising and mentoring, and engage in scholarly activity in the field.

3. Enrollment Projections

- Student FTE majoring in program by the end of five years.
The goal is five students.
