Coordinating Board for Higher Education  
December 6, 2023

**BACKGROUND**

Section 173.005.3, RSMo requires the Coordinating Board for Higher Education to meet at least four times annually. Historically, meetings occur in March, June, September, and December. The March, September, and December meetings are typically held in Jefferson City and the June meeting is on a college campus.

Board meetings include two sessions: A work session and a formal board meeting. Board members and department staff use the work session to prepare for the following day’s formal meeting and discuss internal matters of limited interest to Presidential Advisory Committee members. The work session is a public meeting and all are welcome to attend, but generally institution representatives only attend if they have a matter before the board or have been invited to make a presentation. The board discusses and votes on agenda items at its formal board meeting. Presidential Advisory Committee members are invited to discuss agenda items and other topics at the formal meeting.

In December of 2022, the CBHE announced the 2024 meeting dates.
