Op. Atty. Gen. No. 43, Bradshaw, 1-17-79. Section 6.2 of the Omnibus State Reorganization Act prohibits any member of the Coordinating Board for Higher Education from being "engaged professionally as an educator or educational administrator, at the time appointed or during his term." Since the trustee of a private college in Missouri is an "educational administrator" in light of the purposes of the Act, he cannot serve simultaneously as a trustee of the private college and as a member of the Coordinating Board.
