Dear Ms. Mulligan:

In accordance with the Higher Education Student Funding Act (HESFA), § 173.1003 RSMo, Missouri State University was permitted to increase tuition and required fees charged to Missouri resident undergraduate students by $147.14 for the 2018-19 academic year. Missouri State University’s Board of Governors approved a Fee Schedule on April 18, 2018 to increase tuition and required fees charged to Missouri resident undergraduate students for the 2018-19 academic year by a total of $146.00 which results in a total $7,120.00 of tuition and fees under the HESFA for Fiscal Year 2019.

The Board of Governors waived collecting $76.00 of the increase for tuition and required fees charged to Missouri resident undergraduate students for the 2018-19 academic year, which results in a 1% increase, provided both of the following conditions are met for the 2018-19 academic year:

- The Truly Agreed and Finally Passed FY2019 operating appropriation for the Missouri State University System equals $83,401,060; and
- Missouri State University receives the full appropriation less the traditional 3% withholding.

We are submitting this letter in accordance with the Higher Education Student Funding Act. Please contact me if you have any questions 417/836-4563.
