Dear Commissioner Mulligan:

The purpose of this letter is to provide you with information for the University of Central Missouri regarding application of the Higher Education Student Funding Act (HESFA) for the 2018-19 academic year.

UCM's Board of Governors approved an increase for 2018-19, setting the relevant tuition at $7,366.20. This increase is below the University's statutory maximum increase allowed for 2018-19.

A portion of the tuition for Missouri resident undergraduates as well as a portion of student approved fees will be waived contingent on state funding.

If you have any questions, please do not hesitate to contact me.

Joining you in service,

Chuck Ambrose, President
University of Central Missouri
